

Looking Back on

# An Incredible School Year

**A**s we approach the end of the school year, I wanted to take a moment to reflect on all that God has done in and through our Revival Homeschool community this year. It has truly been a year of growth, service, and joyful connection!

Through your generosity and the Lord's provision, we were able to **bless families in need with \$3,000 in tuition and enrollment support.** What a beautiful reflection of the body of Christ caring for one another!

Our **Co-Op Days** have been rich with learning and purpose. We studied the lives of **famous missionaries** and helped our students discover the joy of serving others—just as Jesus modeled for us. These lessons weren't only theological; they came to life through our **all-school service projects:**

- In **November**, we served our **local military community** with a pancake breakfast, and our **youngest students created special artwork** to bless the seniors at Revival.
- In **February**, students **served one another** with a special meal and spent time **reading together across grade levels**, building bonds of kindness and care.
- On **May 13th**, our students will close the year by **serving the staff of Revival Christian Fellowship** and preparing **care packages for Mexico**—a final act of love that reaches beyond our own community.

We've also enjoyed some **incredible field trips** this year—including fun adventures to **In-N-Out Burger** and **Angel Stadium**—bringing our students together in joyful, memory-making ways.

This year also marked the launch of our very first **Associated Student Body (ASB)**! These students have stepped up in amazing ways to lead and serve their peers, and through their efforts, they raised over **\$3,500** toward their end-of-year trip to **Universal Studios**. We're so proud of their initiative and teamwork!

Our newly formed **Yearbook class** has also made history—creating our very first student-produced yearbook, complete with a student-designed cover! Even more impressively, **they took all of our school photos** for the year. What a gift! We also launched **Mom's Fellowship Night**—a special time for homeschool moms to gather, enjoy a meal, share in an activity, and be refreshed in community. These evenings have been such a sweet addition to our ministry.

*continued on next page...*

*Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates. – DEUTERONOMY 6:5-9*

In an effort to better serve families and respect your time, we also **streamlined our Parent Meetings** to just **five focused gatherings** this year, making space for more meaningful, relevant connection while delivering key information clearly and efficiently.

Finally, we were honored to represent private homeschoolers at **Capitol Day** in Sacramento, where

**Revival Homeschool staff visited all 120 offices** of California's senators and assembly members to advocate for homeschool freedom and share valuable information about private home education.

As we wrap up this season, I am filled with gratitude—for the families, students, and staff who have made this year so special. Thank you for being a part of what God is

doing in and through Revival Homeschool. We can't wait to see what He has in store for next year!

*With joy and gratitude,  
**Michelle Becerra**  
Director, Revival Homeschool*

*It's estimated that over  
**9 million Americans**  
had experienced being  
homeschooled as of  
February of 2020.

## CALLING ALL MEDIA-MINDED STUDENTS!

Are you in 7th–12th grade and love tech, photography, or social media? We're building a Media Team for next school year and we need YOU!

Volunteer to help with:

- Running sound
- Snapping pics at events
- Creating Reels and content for our social media

This is a great way to serve, learn new skills, and have fun doing what you love—all for God's glory! Interested? For more info email [mbecerra@revival.tv](mailto:mbecerra@revival.tv)

### FINAL GRADES AND PAPERWORK

All final paperwork must be submitted to the Revival Homeschool office no later than June 30. For K–8th grade students, this includes the Attendance Record.

For high school students, both the Attendance Record and the Achievement Record (report card) are required.

Please note: Graduating seniors must have all final paperwork submitted by May 15 in order to graduate. Thank you for helping us close out the school year smoothly and on time.

### USED CURRICULUM NEEDED

We're accepting used curriculum donations to bless other families! If you have gently used materials to give, please bring them to the school office.

*Thank you for supporting our community!*

**87%**  
*of peer-reviewed studies on social, emotional, and psychological development show homeschool students perform statistically significantly better than those in conventional schools.*

# CO-OP DAYS

Kindergarten–12th Grade 2025 2026 School Year

We're excited to invite you to the 2025–2026 school year at Co-Op Days, where hands-on learning and Christ-centered community come together! This year, our Kinder through 3rd grade students will step into the world of Little House on the Prairie as they explore literature and farming through the life and stories of Laura Ingalls Wilder.

Through rich read-alouds, interactive activities, and imaginative play, our youngest learners will connect with history, hard work, and the beauty of simple living.

Our 4th through 6th graders will dive into an engaging study of farming and food using the

Gather Round curriculum, Farming and Food. They'll discover where our food comes from, how it's grown, and why it matters—all while enjoying hands-on projects, group discussions, and meaningful lessons that highlight God's amazing design.

Meanwhile, our 7th–12th grade students will enjoy the freedom to choose from a variety of independent classes tailored to their interests and learning goals. These classes were thoughtfully selected in part based on feedback from our parent survey, and we're confident they'll support our teens in growing both academically and spiritually. No matter the age, Co-Op Days is a place where faith and learning flourish together!
